

Emperors and Empires

This term, we have started a new topic called 'Emperors and Empires'. We have been exploring the history and structure of ancient Rome and the Roman Empire. In Science, we have also been learning about plant nutrition and reproduction with a focus on describing the different parts of a flowering plant and what is needed for it to grow and survive. Please choose at least one activity to be completed and brought back to school by Friday 14th June 2024.

Diary entry

Find out about the everyday lives of children in ancient Rome, using a selection of historical source materials. Write an imaginative diary entry, from the point of view of a Roman child, which includes correct historical information.

Design and Technology

Make a model of a plant using natural resources, card, cardboard or paper. Use sticky notes to label the part of a plants.

Detailed illustration

Use the internet to find an illustration of a Roman soldier. Draw and use your knowledge and range of historical sources to label each part of his clothing and armour.
